

THE DUKE CANCER NETWORK IN CONJUNCTION  
WITH THE DUKE CANCER INSTITUTE

PRESENTS

## Duke Debates: Controversies in the Management of Patients with Hematologic Malignancies

The Grove Park Inn  
Asheville, NC

Friday, April 10, 2015 –  
Sunday, April 12, 2015

**Duke Cancer Institute**

### Commercial Support Acknowledgment

This live activity is supported by educational grants from Seattle Genetics, Sunesis Pharmaceuticals and TG Therapeutics, Inc. A complete list of supporters will be provided to attendees during the event.

### Target Audience

This educational program is directed toward Medical Oncologists, Hematologists, Radiation Oncologists, Surgical Oncologists, Pharmacists, Nurse Practitioners, Physician Assistants, Fellows, Nurses and other health care professionals interested in the treatment of patients with hematologic malignancies.

### Learning Objectives

At the conclusion of this activity, participants should be able to review and discuss:

- Modern radiation treatment planning principles aimed to provide more specific targeted radiation treatment
- Emerging data and recent advances in the treatment of patients with hematologic malignancies
- The benefits of the different treatment options for the management of hematology disorders

### Disclaimer

The information provided at this live activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

**DukeMedicine**

*Sponsored by the Duke University School of Medicine*

### Joint Accreditation Statement

In support of improving patient care, Duke University Health System Department of Clinical Education & Professional Development is accredited by the **American Nurses**

**Credentialing Center (ANCC)**, the **Accreditation Council for Pharmacy Education (ACPE)**, and the **Accreditation Council for Continuing Medical Education (ACCME)**, to provide continuing education for the health care team.

This activity is Approved by the **American Society of Radiologic Technologists (ASRT)** for a maximum of 3.5 A+ hours of credit.

### Credit Statement

**Physicians:** Duke University Health System Department of Clinical Education & Professional Development designates this live activity for a maximum of 12 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only credit commensurate with the extent of their participation in the activity.

**Nursing:** Duke University Health System Department of Clinical Education & Professional Development is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Participants who complete this activity are awarded 11.6 contact hours.

**Pharmacists:** Duke University Health System Department of Clinical Education & Professional Development designates this activity for a maximum of 12 ACPE credit hours. Universal Activity Numbers: 0851-0000-15-010-L01-P

### Special Needs Statement

The Duke Cancer Network is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

# AGENDA

## FRIDAY, APRIL 10, 2015

### Radiation Oncology Mini Symposium Moderator: Christopher Kelsey, MD\*

- 1:00pm **Registration**
- 1:20pm **Welcome and Introductions**
- 1:30pm **Debate: All Women with DCIS Should Receive Post Lumpectomy Radiation Therapy**  
Tim Zagar, MD (UNC) vs. Rachel Blitzblau, MD, PhD\*
- 2:15pm **Current Standards and Controversies with Consolidation RT in Early-Stage Hodgkin Lymphoma and DLBCL**  
Christopher Kelsey, MD\*
- 2:50pm **Debate: Patients with Oligometastatic Disease (Mostly Breast, Thoracic, Colon) Should be Treated with Radiation for Cure**  
Joseph Salama, MD\* vs. Brian Quaranta, MD (21st Century Oncology)
- 3:30 – 3:45pm **Break**
- 3:45pm **Modern Radiation Treatment Planning with PET and Involved-Site Principles**  
Grace Kim, MD, PhD\*
- 4:20pm **Debate: Whole Pelvic RT Should be Routinely Utilized in Patients with High-Risk Prostate Cancer**  
Bridget Koontz, MD\* vs. Ron Chen, MD, MPH (UNC)
- 5:00pm **Adjourn**

## SATURDAY, APRIL 11, 2015

### Hematologic Malignancy Session #1 Moderator: Joseph Moore, MD\*

- 8:00am **Welcome and Pre-Session Survey**
- 8:10am **Future Directions: Stopping TKIs in Patients with CML**  
Joseph Moore, MD\*
- 8:40am **Debate: Induction Therapy for CLL Should No Longer Include Traditional Cytotoxics**  
Danielle Brander, MD\* vs. David Rizzieri, MD\*
- 9:30am **Debate: Myelofibrosis: To Transplant or Not?**  
Mitch Horwitz, MD\* vs. Murat Arcasoy, MD\*
- 10:15am **Immunology of Hematologic Malignancies – Vaccine Strategies and Targets**  
Yiping Yang, MD, PhD\*
- 10:50am **Implications of the Affordable Care Act for our Region**  
Leah Ralph (ACCC)
- 11:30am **Lunch**

### Hematology Session Moderator: Murat Arcasoy, MD\*
