

Recognizing Educators Who Get Results

Master Teachers

Every year, Georgia recognizes its best teachers. These professionals receive a Master Teacher designation on their certificates, identifying them as educators who have positively influenced student achievement in the classroom.

Why?	Be honored... Be a leader... Be heard... Be of help...
Who?	K-12 classroom teachers/specialists and instructional coaches
How?	Get support and approval at school and system levels Submit supporting data related to student achievement/growth and professional responsibilities
When?	Application in Fall 2010 Announcement in Spring 2011
Want to know more?	The Master Teacher program staff will provide an information session for all interested teachers/specialists/coaches on September 1, 2010 at Heart of Ga. RESA. The session begins at 4:30 PM and concludes at 6:30 PM. <i>Those interested in attending should register online at: www.hgresa.org. Deadline to register: August 18, 2010.</i>
